Dear Colleagues,

It gives us immense pleasure to invite you to the **Admire Interventional Masterclass (AIM 2026)**, scheduled from **29th – 31st May 2026** at **The Leela, Mumbai**.

Admire Interventional Masterclass is designed as a premier training platform dedicated to advancing skills, knowledge, and clinical excellence in **Aesthetic Dermatology and Interventional Procedures**. The program will bring together leading national and international experts to deliver comprehensive academic sessions, case-based discussions.

Recognized as one of **India's leading training destinations in aesthetic dermatology**, AIM 2026 aims to provide participants with cutting-edge insights into the latest technologies, techniques, and evidence-based practices shaping modern aesthetic medicine.

We warmly invite dermatologists, aesthetic physicians, and practitioners to join us in Mumbai for **three days of high-quality scientific learning**, networking, and professional collaboration.

We look forward to welcoming you to **AIM 2026**.

Warm regards,

Admire Academy
